

March 15, 1976

CLERK: 27 ayes, 8 nays on the Stull amendment.

PRESIDENT: It is adopted.

CLERK: Motion on the desk.

PRESIDENT: Read the motion.

CLERK: I move to indefinitely postpone LB 920. Signed Senator Frank Lewis.

PRESIDENT: Senator Lewis.

CLERK: That lays over.

PRESIDENT: All right. That lays over. LB 806.

CLERK: Mr. President, I ask unanimous consent to bracket LB 806. Signed Senator R. Lewis.

PRESIDENT: Is there an objection? To the bracketing of 806? Seeing none, it is so...Senator Cavanaugh.

SENATOR CAVANAUGH: I would just like an explanation.

PRESIDENT: Senator Lewis.

SENATOR R. LEWIS: Mr. President, members of the Legislature, we do have some problems, as Senator Cavanaugh is aware of, and the Veterans Administration has asked for a corrective amendment that is denied them as the bill is presently written. Bruce Cutshall is doing a tremendous amount of rewording and rearranging the bill. For instance, one particular section has ten pages in it. This bill has a lot of work to do on it yet. I am not trying to slow it up in any manner. I just think it has some things on, some problems involved, that need to be addressed before we move it on, and if we could have this bracketed until Wednesday, why, I think we can have these things corrected and ready to move it.

SENATOR CAVANAUGH: So your motion is until Wednesday?

PRESIDENT: A request.

SENATOR CAVANAUGH: All right. I have no objection.

PRESIDENT: Senator Kelly, you are at your microphone. Do you object?

SENATOR KELLY: Mr. President, I would object and I would object on this basis is that 806 must go across. The Speaker is having a very difficult time winding up this session. We need to conserve all of the time that we need to conserve.

PRESIDENT: All right. There is an objection then. Do you want to make your motion, Senator Lewis?

CLERK: Mr. President, I move to bracket 806.
